Good morning Gary,

May I use some of these slides for a short presentation on this site during our Section meeting? If so, could you pl. e-mail me the Power Point file? I understand that it is too large to be sent in a single e-mail; you may please send it in parts. Thanks a lot in advance!

Regards,

Satya

Satya,

Here is the entire long version; the presentation part for the open house meeting will be the first 13 slides only. I have the rest for backup to answer any questions on other site issues. I may also add some additional slides, but this is what I have now.

Erika-

thanks for the prompt response. Satya will need to send the request through EPA, who then sends us a request. We only set up accounts through that path.

Satya, please contact Gary Miller with your request. miller.gary@epa.gov

Thanks,

Jennifer

Satya,

I do not have any users registered under your name or email address, so it appears that you were not setup with an account. I can certainly create one for you once I get approval from our project manager though.

Jennifer,

Do you want Satya to be setup with a new wiki account for the SJRWP project? Please advise.

Thanks!
